

Travel documents recommended for the citizens of the Islamic Republic of Iran to enter Georgia

Georgian National Tourism Administration and the Ministry of Internal Affairs of Georgia recommend Iranian citizens to present the following documents at the border checkpoints while travelling to Georgia for tourist purposes:

1. Valid travel document/passport;
2. Georgian visa (if needed);
3. Return ticket;
4. A document/information demonstrating the purpose of a trip. In case a person is on a short term visit (e.g. a meeting, conference, etc.), rather than on a tourist trip, he/she shall present a proof of the attendance on an aforementioned event (e.g. an invitation, in case of a business meeting or any other purposes - details of the relevant contact person or any additional information which could be subject to inspection);
5. Proof of accommodation – hotel reservation or reservation for a similar establishment, or an address and contact details of a host if a person has been invited (subject to inspection);
6. Travel and/or health insurance;
7. The amount of money (preferably in cash) sufficient for covering a person's daily and accommodation expenses during the whole period of stay in the country (if the accommodation is not prepaid).

The staff of the Patrol Police Department, Ministry of Internal Affairs of Georgia conduct arrival inspections using the same criteria for all foreign nationals visiting Georgia. They make a final decision on the traveller's admission to the country (according to the Georgian Law on the Legal Status of Aliens and Stateless Persons).
